

# Xvantage™ Line Cards

## ABOUT US

### **Ingram Micro**

Ingram Micro is a global leader in technology and supply chain services, providing a comprehensive range of IT products and solutions to businesses worldwide. With a presence in over 160 countries, we empower businesses to realize the promise of technology by delivering a full spectrum of global technology and supply chain services.

### **The Ingram Micro Xvantage™ Platform**

The Ingram Micro Xvantage™ platform is our innovative, AI-powered digital experience designed to streamline business operations, reduce time to market, and help businesses adapt to market changes. Xvantage offers a unified platform where you can discover, learn, purchase, and manage technology and cloud solutions, all in one place. It provides actionable insights, process automation, and an expansive digital marketplace to help you grow your business efficiently.

### **Ingram Micro's Xvantage™ Line Cards**

Our Line Cards site is your go-to resource for discovering the extensive range of vendors, products, solutions and services offered by Ingram Micro. Whether you're looking for security solutions, professional services, modern infrastructure or artificial intelligence solutions, our Line Cards site provides detailed information and easy access to the solutions you need.
